In less than two hours Emmett will find out if he got the
Mican while I'm working on some paintings to show to dealers to
to sign me on. It's all quite nerve-racking, but I manage
some distance on it all. It's been freezing-cold, but
been as blue this winter as usual. Not sure why.

看着过去六个月的文字，
这就是我的生活啊。

所有的开心和不开心，
所有的疑惑或者焦虑，
都是我的人生收获。

Lisa's gone to S.F. to install a show. I made the mistake of writing her at 3 a.m. because I couldn't open a computer file with Adlee's homepage. Adlee has been accused of "bullying" by a couple of parents of her classmates. I wonder if this will rebound on her in an ugly way.

我其实不常在星期天休息，因为翌日就是工作日，周日更多的是呆在家里想想之后的事情，我想这样的状态也很接近我对于星期天的云的理解——缓冲带。

快节奏的现代社会里，大家各自忙碌，
疲惫、焦虑…渐渐变得被动或主动的
冷漠…多久没有好好倾听别人，甚至
静下心来听听自己了呢？！就像找一
片草地，躺下看云，耳边是孩童的嬉
闹声、鸟叫、风吟，任思绪流淌…

Amy, Frank, Patsy and Cole spent last night with us. It was way too short, but great to see all mine of us together. Ella and I had such a fun trip to Providence to see Julianne's excellent show at Brown's new art building. We also visited Yale on the way back, which Ella enjoyed despite the crap New Haven weather. Fred T. is coming for a visit tomorrow. Guess I'll show him the big, dark paintings, mostly.

Stayed up late to hear Michelle Obama's speech, which was brilliant and masterfully delivered. She made this personal political fight. I need to contact Jim Elkins now about this + in two weeks or else it'll be really stressful. And I need to be in my studio. It feels like a foreign place.

我最近很迷惘，
但迷惘是好事情。

相爱的两个人，
往往就在这种迷惘里边，
互相看见了，
互相能肯定，
让彼此的独特性最后能变成一种创造。

经历了太多的ending之后，
对于ending已经渐渐地熟悉。
反倒有了更多的对于ending
的期待，期待可以继续，
生命就是如此生生不息，
永不停止。

This show is at its tipping point. I have two good paintings. They are both very odd. One is a depiction of a Robert Brown disc and its shadows. The other is of the U.N. Building. I'm feeling a bit better. Wonder if it's the days getting longer or the fish oil.
